(1) INTRODUCTORY COMMENTS

Reconsideration and allowance of claims 1-23 and 28-45, all of the claims pending in this application, are respectfully requested in view of the following remarks.

This amendment cancels claims 23 through 27 and presents new claims 43-45, which are fully described in the original disclosure and eliminate some of the issues presented against other claims in the parent application. All claims are believed to be allowable in the application and over the prior art.
